

V-HOOKS, S-HOOKS, C-HOOKS AND CV-HOOKS

V-HOOKS, S-HOOKS, C-HOOKS AND CV-HOOKS

Length (mm)	Wire Diameter (mm)	Quantity Per Box	
STANDARD HOOKS			
50	All are available as	1000	
75		1000	
100		1000	
150		1000	
200		1000	
250		1.2	1000
300		1.5	1000
350		2.0	1000
400		2.5	1000
450		3.0	1000
500	4.0	1000	
550	5.0	1000	
600	6.0	500	
700	8.0	500	
800	10.0	500	
900		500	
1000		500	

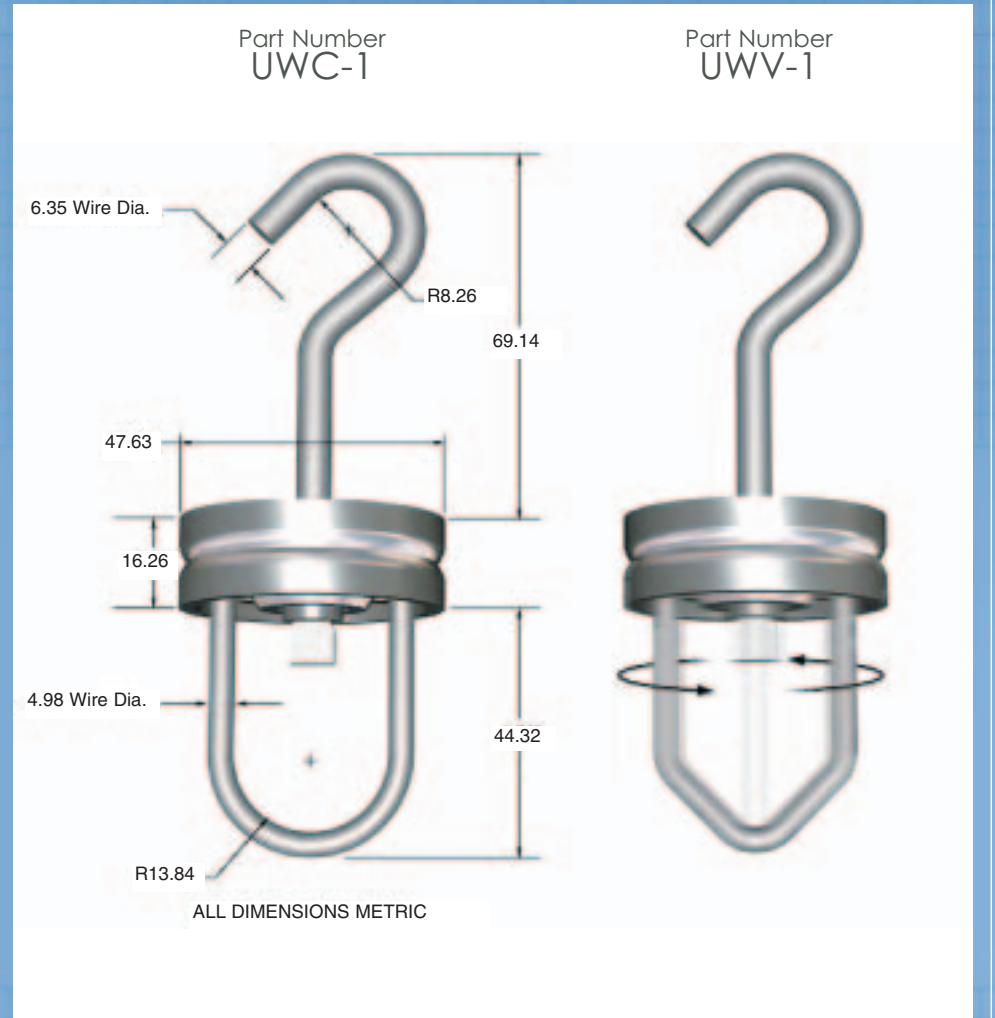

- Manufactured from copper drawn wire
- Plain or 90°
- Custom designs available
- No minimum order quantity
- UK material
- Large stocks available for immediate delivery

SPIN HOOKS

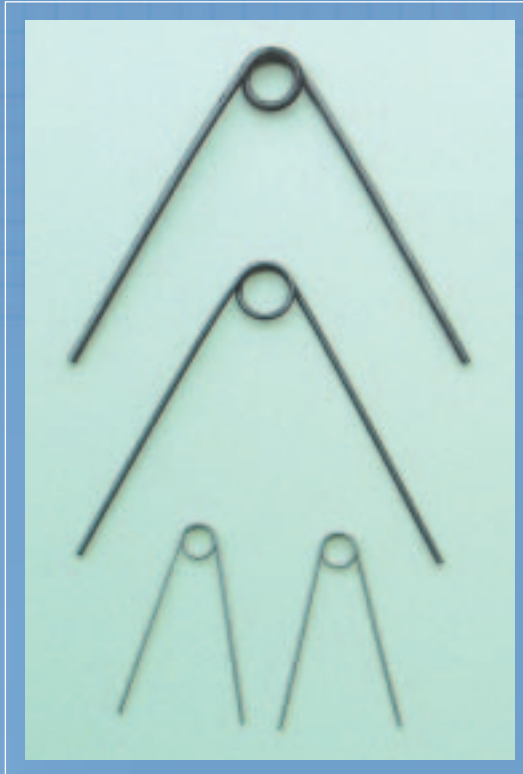

- Low cost solution to increase powder-coating capability
- Rotate part/rack
- Ball bearing construction
- Durable

TUBE SPRING HOOKS

Part No	Wire Diameter (mm)	Length (mm)	Quantity per box
HOOK - SH1	1.00	60.00	500
HOOK - SH2	2.00	105.00	200
HOOK - SH3	3.00	110.00	200

- Manufactured from high quality spring steel wire to BS5216
- For use when coating tubes or similar items where there is limited hanging
- Leaves no mark on the surface to be coated
- Reusable, maintaining their spring integrity for many cycles, whilst giving a good firm grip of the component

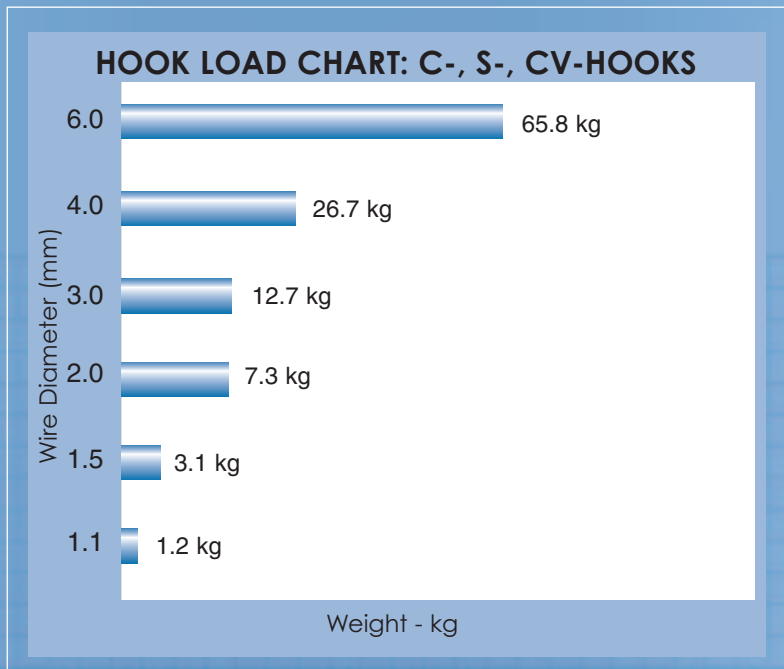

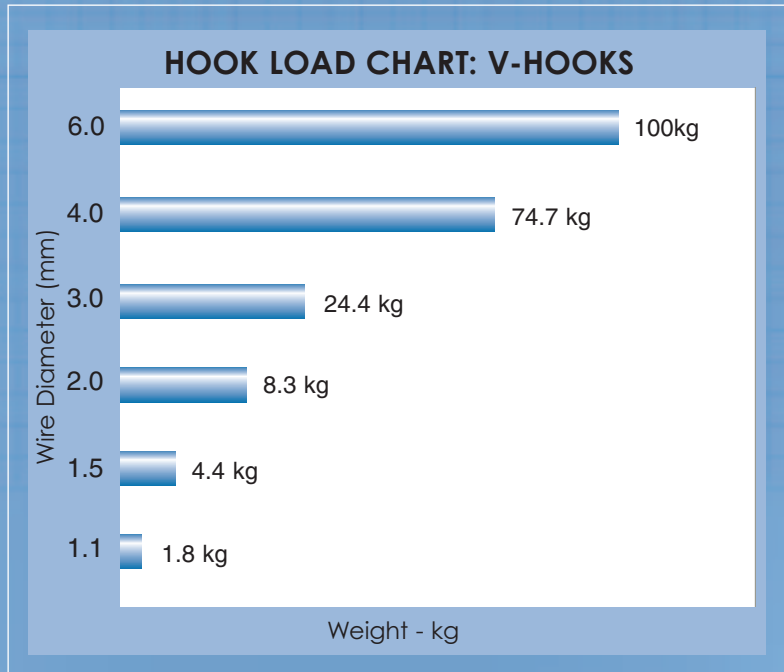

MINI HOOKS

Length (mm)	Wire Diameter (mm)	Quantity per box
55	1.5	5000
75	1.5	5000
135	1.5	5000

- Manufactured from copper drawn wire
- 12mm internal diameter ends

HOOK LOAD CHART

This load data was compiled under static load conditions in a laboratory and is given for reference only. The actual dynamic load capacity will vary. It is the Customer's obligation to determine whether the actual dynamic load capacity is suitable for the Customer's purpose.
