PC016MM	16.0	2000
PC017MM	17.0	1000
PC018MM*	18.0	1000
PC019MM	19.0	1000
PC020MM*	20.0	1000
PC021MM	21.0	1000
PC022MM*	22.0	500
PC023MM	23.0	500
PC024MM	24.0	500
PC025MM*	25.0	500
PC030MM*	30.0	500
PC035MM	35.0	250
PC040MM	40.0	250
PC045MM	45.0	250
PC050MM*	50.0	250
PC055MM	55.0	250
PC060MM	60.0	250
PC065MM	65.0	250
PC070MM	70.0	250
PC075MM	75.0	100
PC080MM	80.0	100
PC085MM	85.0	100
PC090MM	90.0	100
PC095MM	95.0	100
PC100MM	100.0	100
PC110MM	110.0	100
PC120MM	120.0	100
PC130MM	130.0	100
PC140MM	140.0	100
PC150MM	150.0	100

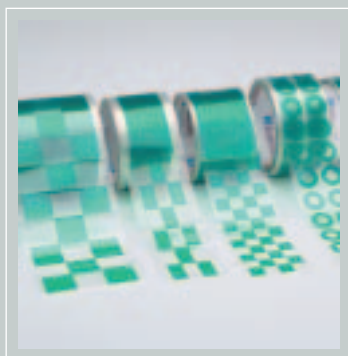

- Recommended for Powder Coating and E-Coating
- Clean removal with no adhesive residue
- Additional sizes available – call for pricing
- Imperial sizes available
- Any size cut to your requirement. No tooling charges
- Also available as roll tape (page 29)

\*Overprinted with concentric rings for easy centering (see picture)

## POWDER COATING DONUTS 220°C

Part Number	I.D. (mm)	O.D. (mm)	Quantity Per Roll
PCD 125x500	3.18	12.70	1000
PCD 187x500	4.75	12.70	1000
PCD 250x500	6.35	12.70	1000
PCD 250x750	6.35	19.05	1000
PCD 125x312	3.18	7.93	1000
PCD 156x375	3.96	14.28	1000
PCD 250x562	6.35	14.28	1000
PCD 281x625	7.14	15.88	1000
PCD 375x875	9.53	22.23	1000
PCD 406x812	10.31	20.63	1000
PCD 500x1250	12.70	31.75	500
PCD 562x1375	14.28	34.93	500

## POWDER COATING SQUARES 220°C

Part Number	Length (mm)	Width (mm)	Quantity Per Roll
PC 0250 SQ	6.35	6.35	1000
PC 0375 SQ	9.53	9.53	1000
PC 0500 SQ	12.70	12.70	1000
PC 0625 SQ	15.88	15.88	1000
PC 0750 SQ	19.05	19.05	1000
PC 01000 SQ	25.40	25.40	500
PC 01500 SQ	38.10	38.10	500
PC 02000 SQ	50.80	50.80	250

- Custom die-cut donuts, squares and rectangles are available from stock
- These items are ideal for Powder Coating and E-Coating
- Call for a quote and samples on custom sizes (No tooling charges)

## POWDER COATING RECTANGLES 220°C

Part Number	Length (mm)	Width (mm)	Quantity Per Roll
PC 250x500 RT	6.35	12.70	1000
PC 250x750 RT	6.35	19.05	1000
PC 250x1000 RT	6.35	25.40	1000
PC 500x750 RT	12.70	19.05	1000
PC 500x1000 RT	12.70	25.40	1000
PC 750x1000 RT	19.05	25.40	500

- Shown on this page is just a selection of standard shapes
- Custom shapes can be produced to your specification in a wide variety of materials (see page 6)

**CALL TODAY FOR A QUOTE ON YOUR CUSTOM DIE-CUT SHAPE**

- Recommended for high temperature powder coating.
- Masking uses in PCB manufacture and other electronic applications
- Available in custom die cuts and roll tape (see page 32)
- Imperial sizes available
- Any size cut to your requirement. No tooling charges
- Also available as roll tape (page 32)

GC050MM	50.0	250

- Recommended for thermal spray and high-temp powder coating
- Resistant to high-pressure blasting
- Abrasion resistant
- Excellent resistance to solvents
- Flame retardant
- Excellent tensile strength
- Imperial sizes available
- Also available as roll tape (page 32)

For more specialist thermal and plasma applications we offer a range of high performance tapes in different formats. Aerospace approved, they are available in different widths and as custom die cuts.

- A pressure sensitive material, designed for clean removal. It performs well in wet strip applications, can be stripped hot, have structured smooth crepe backing with high strength and good conformability to curved surfaces. It provides both resistance to paint flaking and a clean well defined masking line
- Also in Imperial sizes
- Custom designs available

# KWIKY DOT™ DISCS

## 149°C

- High quality, high heat resistance
- Wide variety of applications
- Clean removal (no residue)
- Imperial sizes available
- Aerospace approved
- Also available as roll tape (page 33)
